

NOTE

Regarding Updated Consultation Document according to the provisions of art. 26 of Commission Regulation (EU) 2017/460 of 16 March 2017 establishing a network code on harmonised transmission tariff structures for gas, on the proposed reference price methodology

During the period 1 May – 30 June 2018 ANRE organized the consultation process on the Reference Price Methodology (RPM) in accordance with Article 26 of the Commission Regulation (EU) 2017/460 of 16 March 2017 establishing a Network Code on Harmonised Transmission Tariff Structures for Gas. Replies on consultation document were received from three entities which do not implies any modifications of the initial documentation.

Also, following the requirements of art.27 point 2, ACER asked ANRE to update the documentation with additional information regarding non-transmission services, a simplified tariff model and an estimated level of transmission tariffs for the tariff period for which the information is published.

Therefore, ANRE has amended and supplemented Section C.10 “Non-transmission service tariff methodologies” and D “Compared tariffs and tariff model” of the initial documentation.

In order to comply with art. 26 point 2 of Commission Regulation (EU) 2017/460 ANRE has launched public consultation for a new two-month period, from 9 July – 14 September 2018. Replies in response to the consultation to Proposals and observations, accompanied by the relevant argumentation, are to be sent in Romanian by fax to No. 021.3124365 or by post at ANRE headquarters in Bucharest, Constantin Nacu Street, no. 3, sector 2, as well as by e-mail, on an electronic format (Word documents) at dt@anre.ro.
