ANRE Letter no. 42040/16.06.2017

Referring to: All TSOs' Proposal for intraday cross-zonal gate opening and gate closure times in accordance with article 59 of the Commission Regulation (EU) 2015/1222 of 24 July 2015 establishing a Guideline on Capacity Allocation and Congestion Management

In accordance with article 59 of the Commission Regulation (EU) 2015/1222 of 24 July 2015 establishing a Guideline on Capacity Allocation and Congestion Management (CACM Regulation), all TSOs elaborated a common proposal for intraday cross-zonal gate opening and gate closure times which was sent by letter no. 44784/06.12.2016, registered to ANRE with no. 89450/20.12.2016.

According to provisions of article 9(6) letter k) of CACM Regulation, this proposal is subject for approval by all the national regulatory authorities that, as per provisions of the article 9(10) of the mentioned Regulation, shall consult and closely cooperate and coordinate with each other to reach an agreement, and make decisions within six months following the receipt of the document.

Since all the national regulatory authorities have reached an agreement, we are sending you in attachment the **Request of amendment by all regulatory authorities for all TSOs' proposal for intraday cross-zonal gate opening and gate closure times**, in both Romanian and English language, in accordance with article 9(12) of CACM Regulation. As stated by the provisions of the same article, all the TSOs shall submit an amendment proposal of all TSOs' proposal for intraday cross-zonal gate opening and gate closure times, for approval, within two months of the receipt of the regulatory authorities' request.

Thank you for cooperation.

Sincerely,

Niculae Havrileț,

President of ANRE
